Minden Echo & Haliburton Recorder

More Parking Space Needed

It has been stated that money and parking space are becoming a little harder to secure all the time.

In the case of money we are of the opinion that in due time the situation will clear up, but when one realizes there are hundreds of new cars being sold every day, the majority of localities face parking problems.

During the summer season which is rapidly approaching, parking space in the village of Haliburton is at a premium. Dysart council are aware of this problem and are considering ways and means to alleviate the situation.

At present they are considering giving Station St. a thorough face lifting in order to greatly increase parking space near the business section of the town.

As this area runs almost parallel to Highland St., this move would appear to be an excellent one and with the installation of a few extra street lights and signs informing shoppers and visitors that parking is available in this area, this troublesome problem will be eliminated.

LEGION NOTES

The Haliburton branch of the Canadian Legion held its May meeting at the Haliburton Legion hall on Friday night last. Twenty-one members were present with president Wallace Chambers in the chair.

The minutes of the last general meeting were read by the secretary, John Fergus. Following this the secretary read the minutes of the last executive meeting, held on Tuesday, April 19.

The big topic at this meeting was the car draw which is underway, under the leadership of Mr. Fred Ewing. This draw will take place at the annual Legion carnival which will be held on Wednesday, July 20.

Plans are now underway to have a merry-go-round and a ferris wheel for the big occasion.

It was decided the Legion would once again join the Chamber of Commerce. A donation of \$15 is also being sent to the veterans' T.B. summer camp.

Under correspondence, the secretary said he had received the monthly bulletin from the dominion command and would post it up on the bulletin board in the club room.

Harold Douglas reported that the following Legion members were on the sick list: Clair Roberts of Haliburton and Murray Agnew of Wilberforce. We wish them both a speedy recovery.

George Wheeler, bandmaster of the Legion band, reported that the band was progressing favorably and outlined some of the engagements that have been played and some that are coming up. He also pointed out that the band will plan a concert and variety night later on in the year, with the proceeds going to the Legion.

A letter was read from Len Taylor, chairman of provincial public relations regarding the Highland Veteran newspaper. He stated he was disappointed that members were not backing the editor, George Brennan, with news for this publication.

The Highland Veteran won an award before and we can do it again with the co-operation of the members.

It was also reported that the last social night was a great success.

WHAT MINDEN COUNCIL DID

The regular meeting of the Anson, Hindon and Minden council was held in the council chamber on Wednesday, May 4 at 9 a.m. with all members present.

Assessor John Hill was present and informed council that the population of the designated Minden village area is 831.

A motion was passed to the effect that a by-law be prepared to close the Queen's line running from the Gull River to the Gelert road. This allowance runs through property owned by Basil Hewitt and is to be deeded to him after being closed.

In lieu of this he is to convey one acre of property on the Minden by-pass to the municipality.

Council approved the application of Wilf Eason, Norland, for a building permit for the purpose of erecting a garage and service station on the Minden by-pass. Subject to the approval of the Dept. of Highways.

Angus Coulter is to be engaged to replace or repair the manhole grates where necessary and rebuild manholes where necessary. The manhole in front of Dollo's store is to be enlarged and the drain cleaned. Also Angus Coulter is to be engaged to extend the side walk to the property of Arnold Coulter. A sidewalk base is to be built this year and if suitable a concrete top applied. If not this will be completed in the future.

Also the sidewalk on the river road is to be extended to the property of Elmer Sawyer, providing money is available from the \$1,000 sidewalk budget.

Council is to pay the expenses of assessor John Hill who is to attend a two-day assessor's school to be held in Peterboro.

Accounts were paid amounting to \$422.37.

The next regular meeting of council will be held in the council chamber on Wednesday, June 1.

Official Opening Of New Showroom

The public is cordially invited to attend the grand opening of the new showrooms at Minto Marine, Minden, the week end of May 21-24 inclusive.

The new 1960 line of Evinrude outboard motors, Larson fibreglass boats and Canadian Canoe Co. boats will be shown. Also you will see many new marine accessories, water sport equipment, marine paints and enamels.

All those attending will receive a free ticket on four valuable door prizes.

The first prize is a pair of water skis and tow rope. Second is a four step boarding ladder. Third is a navigation light kit and fourth, a one gallon thermos jug.

There will be free cokes for all.

Announce Ice Fishing Winners

The first prize of \$25 for the largest fish caught through the ice, 9 lbs., 10 oz., was won by Wm. Hounsell.

Second went to Barney Walker for a trout weighing 8 lbs., 14 oz., and he received \$15.

Third prize of \$10 went to Roy Colliss for a fish weigh-

There's Pickerel In Pine Lake

Previous to the 1930's local tradition held that Kennisis was the one lake in the county where no fish could be caught. Accomplished woodsmen such as Ben Sawyer whose attempts had failed, swore to the legend's truth.

However, an Indian from Chemung who used to make an annual pilgrimage to Dickson's camping ground on Kennisis kept telling Mr. W. R. Curry who used to drive him to Redstone, "Lots o' good fish in Kennisis with spot on them for white man to eat!"

He was right. One day a fisherman who didn't know there weren't any fish in the lake caught a fine trout and since then Kennisis has yielded up her piscatorial harvest to the troll and casting rod.

This story was repeated in Pine Lake this week. For several years the West Guilford Ratepayers' Association has been agitating, without success, to have Pine Lake stocked with pickerel.

This past summer several pickerel were taken from Pine Lake by tourists who were unaware that there weren't supposed to be any in the lake.

Just last week Mr. Jack Henderson, licensed guide and a member of the Haliburton Trappers' Association captured several dozen pickerel minnows in his minnow trap. He immediately notified the Dept. of Lands and Forests, who sent Mr. James Scott to verify the find.

One female pickerel lays up to 30,000 eggs, a good portion of which should mature. Pickerel grow up to two feet in length and among game fish are highly rated as tremendous fighters.

Their presence in Pine Lake should prove an added attraction for summer visitors in search of angling sport.

Trappers Meet

The Haliburton Trappers' Association held their last meeting of the season at Haliburton in the basement of the Orange hall, Thursday, May 5.

This was the largest attendance of trappers to attend any meeting of the local association. Since this club formed its own association on February 12, 1960, it has tripled its membership.

A draw was held from the stubs of the 1960-61 membership. First prize of a No. 4 beaver trap went to Archie Brown of Lochlin. Second, a beaver skinning knife, went to Stuart Roberts of Haliburton; and third, a No. 1 1/2 fisher trap went to Arthur McPhail of R.R. 1, Haliburton.

Election of officers was held for the new year of which some changes were made.

Harold Bannon was re-elected for the four year as president; Jim Ward of Haliburton was elected also for the fourth year as secretary. Harold Austin lost his seat as treasurer to Stan Cooper of West Guilford.

After the election of officers was completed the trappers had five rounds of euchre of which first prize, a No. 4 beaver trap went to Charlie Parish of Haliburton; second, a No. 2 trap to Bert Boice of West Guilford; third a No. 1 1/2 trap to Jack Henderson, also of West Guilford.

BANK OF MONTREAL REPORTS—

The Bank of Montreal inaugurated a seven-year scholarship program to provide university training in arts and science for outstanding Canadian high school graduates in all 10 provinces, according to an announcement at the week end by G. Arnold Hart, B of M president.

First project to be announced by any Canadian organization for the observance of Canada's centennial in 1967, the plan provides for 50 top high school graduates to enter university on B of M scholarships next autumn. The program will culminate in 1967, Canada's centennial year and the 150th anniversary of the establishment of the bank, Mr. Hart said, with

the conferring of centennial awards on the top scientist and the top humanist.

To be known as "Bank of Montreal Canada Centennial Scholarships," the plan calls for 124 awards in all over the next seven years, ranging from \$750 to \$5,000.

Highly Competitive

The project is a highly competitive one, and all awards will be made entirely on merit, as determined by selection committees consisting of faculty members of universities from coast to coast. The bank will take no part whatever in the decisions.

The plan, which provides (Continued on Back Page)

HALIBURTON ROTARY

The Haliburton Rotary club held its regular luncheon at the United church on Thursday night last. Eleven members were absent at this meeting. Acting president Frank Litt was in the chair.

Harold Herlihey reported on the car draw and said that he was well pleased with the way that tickets are going and asked for a report at the next meeting.

Vance English, chairman of the boat and motor draw, asked all members who have not yet received tickets, to pick them up right away.

Lester Walling introduced the guest speaker, Dr. W. B. Scott.

Dr. Scott's subject was in connection with the science of fish and with the showing of colored slides he told of his recent travels in the arctic.

He was thanked on behalf of the club by Cliff Inglis.

Rotary Notes

We are sorry to learn that Rotarian Jack Rae is at present in the Lindsay hospital. We hope you are well soon, Jack, and back on the job.

To all our readers, let us remind you that the first pickup for the Rotary auction sale will be Wednesday,

Weather Report

Week of May 3-10

Maximum temp., 77 deg., May 6.
Minimum temp., 37 deg., May 3.
Total rainfall, 2.47 in.

May 18. If you have things for the sale, and we hope you have, just pick up your phone and ask central for Rotary. Then a voice will come over the phone and take your message. It's as simple as ABC. Remember, just call central and ask for Rotary.

WE GOOFED!

FOR RENT

STORE, 12 ft. x 24 ft., situated in centre of Haliburton between Steinberg's and Bank of Montreal. Apply Steinberg's, Haliburton.

FOR SALE

SEVEN room bungalow, hardwood floors, city conveniences, furnished if wanted. Four double, one single cabins on Drag Lake River. Apply William A. Baker, phone 81J1, Haliburton.

LOCHLIN

Mr. and Mrs. Jack Houston and Mr. and Mrs. Roger Bunston of Oshawa were week end visitors of Mr. and Mrs. Jim Minaker.

Miss Lois Hill of Toronto spent the week end with her mother, Mrs. Harold Hill. We extend our best wishes and prayers to Mrs. Hill, who is in failing health.

Mr. and Mrs. Orville Hicks, accompanied by Mrs. Jim Dugan, Mrs. Mike Newell and Mrs. Ed Minaker were Sunday visitors of Mr. and Mrs. Everett Hicks of Bracebridge.

Mr. and Mrs. Jack Tupling were visitors to their cottage here over the week end.

Messrs. Jim Minaker and Bert Hicks were recent visitors of Mr. Jim Blair of Reaboro.

Mrs. Charles Roberts is spending a few days at the home of her daughter, Mr. and Mrs. Raymond Congdon.

Mr. Ross Dugan was a week end visitor of his parents, Mr. and Mrs. Will Dugan.

Mr. and Mrs. Weldon McPhail, Jimmie and Carol of Agincourt were week end visitors of her parents, Mr. and Mrs. Walter Harrison.

Mr. and Mrs. Jack Dart, Larry and Ricky spent the week end with relatives in the village.

Mr. and Mrs. Mike Newell and Mrs. Jim Dugan were business visitors to Lindsay on Saturday.

Mr. and Mrs. Ted Francis of Gelert called on Mr. and Mrs. Jim Minaker on Sunday afternoon.

Mr. and Mrs. Clayton Harrison were Sunday visitors of Mr. and Mrs. Jim Wruth and Mr. and Mrs. Walter Harrison.

Mr. and Mrs. Ray Sisson and family called on friends in the village on Sunday.

Mr. and Mrs. E. H. Peacock of Gelert spent Sunday

with relatives in the village.

Mr. and Mrs. Cec Bailey of Haliburton were Sunday visitors of Mr. and Mrs. Cecil Burk.

Mrs. Gerald Hicks, Mrs. George Exon, Mrs. Norm Harrison, Mrs. Russell Robertson, Mrs. Bert Warder, Mrs. Carl Dugan, Mrs. Will Dugan, Mrs. Cecil Harrison, Mrs. Merle Pringle and Mrs. Keith Hill attended the W.A. rally in Carnarvon and Haliburton recently.

Jeffrey Waine, young son of Mr. and Mrs. Doug Carpenter was christened on Sunday. Mr. and Mrs. Cecil Burke and Mr. and Mrs. Ted Carpenter, grandparents and Mr. and Mrs. E. H. Peacock, Mr. and Mrs. H. A. Baker and Mr. and Mrs. A. E. Carpenter, great grandparents, were all present.

Mr. and Mrs. Ez. Wruth spent Sunday evening with Mr. and Mrs. Jim Wruth.

(Intended for last week)

Mr. and Mrs. Norm Graham and Brenda of Irondale were Sunday visitors of her parents, Mr. and Mrs. Russell Robertson.

Mr. and Mrs. Cecil Bailey of Haliburton spent Sunday with Mr. and Mrs. Doug Carpenter.

Miss Lois Hill of Toronto spent the week end with her mother. Also visiting with Mrs. Hill this week is her sister, Mrs. Wingfield of Hespler.

Mr. and Mrs. Jack Tupling and friends of Toronto were week end visitors to their summer home here.

Mr. and Mrs. Orville Hicks spent Sunday evening with Mr. and Mrs. Ted Francis of Gelert.

Mr. and Mrs. Tom Flink were week end visitors of Mr. and Mrs. J. Flink.

Mrs. Carl Dugan, Mrs. Will Dugan, Mrs. Jim Dugan, Mrs. Raymond Congdon and Mrs. Sandy Gilbert attended the W.M.S. rally at Bury's Green on Thursday.

Mr. and Mrs. Roy Little and family were Sunday visitors of Mr. and Mrs. Holly Little of Blairhampton.

Mr. and Mrs. Heimion were week end visitors to their summer home here.

Mr. and Mrs. Bill Lindop of Lindsay called on Mr. and Mrs. Jim Dugan on Sunday evening.

Mr. Neil Burk had the misfortune to slip last week and break a bone in his back. He will be in a cast for a couple of months.

Mr. and Mrs. Orville Hicks and Mrs. Murray Wruth and Arlene were recent visitors to Lindsay.

Mr. and Mrs. Ez. Wruth and Sherdon called on relatives in the village on Sunday evening.

Mr. and Mrs. Archie Robertson returned to their apartment at the Victoria county home on Saturday after spending the past week with relatives in the village.

TORY HILL

Mrs. Ed. Finlay has returned home after visiting with her daughters in London, Ont.

Mrs. S. McColl and Mrs. Walter Reil were business visitors to Lindsay one day last week.

Mrs. Gordon Lee and Linden spent a few days visiting with Mr. and Mrs. D. Lee recently.

Mr. and Mrs. E. Doucett of Spanish, Ont., were recent visitors to the village.

Mrs. Ida Bonham is spending some time visiting with her granddaughter, Mrs. Herb Birkman of Bridgenorth, Ont.

GOD BLESS YOU, MY BOY

Two Salvation Army officers were on a speeding train in a western province when it struck a car at a level crossing. Mother and father and one child were killed, but a little boy of seven years survived.

Word was sent on to the little town where the family had lived and the train hurried along to get the child to the hospital.

Certainly, the "Army" men had helped as much as

possible as the crew members handled the bodies of those who had perished, and then they were invited to remain in the baggage car with the remains and also to care for the child still alive.

Removing his Salvation Army tunic, thus displaying his bright red guernsey, one of the officers held the little one tenderly in his arms; as he did so, he brushed away the tears of the boy and himself. All the while, members of the crew watched and

were deeply moved as the Salvation Army officer prayed and repeated again and again, "God bless you, my boy!"

And that prayer was answered, for years later, when visiting the little home town of the family, it was learned that the "little boy" had recovered from the frightening ordeal, and was now in his teens, still living in that community. Many of the residents recall to this day the sad arrival of the train with

its cargo of death in the baggage car, but also remember the "Army" man in his Salvation Army red guernsey, caring for the lone survivor, and his sincere prayer, "God bless you, my boy."

SALVATION ARMY FACTS

Men and women, old or young, irrespective of creed, race or color, turn to the Salvation Army in time of need.

The Salvation Army provides an "open door" to help and hope—for the destitute and homeless.

VIOLETS IN SPRING

When I see purple violets
Along the road to home
My heart is filled with gladness
That I may watch them bloom.
So delicate and fragile
Protected by the trees;
Waving their dainty little heads,
With every passing breeze.
They seem to give a promise
Of joy as yet untold
As I watch each little violet
Its little cup unfold.

—Ann Cummins.

ANNOUNCING

the **BANK OF MONTREAL**

To commemorate the Centenary
of Canada's Confederation
and the 150th anniversary of
Canada's First Bank
... in 1967

Canada centennial scholarships

A SEVEN-YEAR PLAN

124 SCHOLARSHIPS of \$750 to \$5,000 in VALUE

... Every Starter Eligible for Final Awards

If you are a high-school student — well up in your studies and confident of graduating next month — here is a great opportunity for you.

If you are a parent, with a son or daughter ready for university this year, here is important news.

We are searching for 50 top high-school students graduating this June ... young men and women ready for intensive

university training in the Arts or Sciences.

From these 50 students, we hope to find eight outstanding young scholars for Canada's Centennial in 1967. They will be young Canadians of exceptional scholastic attainment — well-equipped and anxious to blaze new trails for the benefit of Canada ... in scientific research, in the social sciences or in the humanities.

One of the winners could be you ... or your son or daughter.

50 SCHOLARSHIPS OF \$750 ...

In a nation-wide competition opening this week, 50 of the most promising young Canadian men and women, graduating from high-school this June, will be awarded Bank of Montreal Scholarships, valued at \$750 each, for entrance to first-year University next autumn.

These young Canadians will be drawn from all of the ten provinces according to population, with a minimum of two scholarship students from each province.

They will be judged by independent University Selection Committees on the basis of academic standing and character. They will enter a Canadian university of their choice as Bank of Montreal Scholarship Students to pursue studies in Arts or Science. Professional courses, such as law, medicine and engineering, are not included. *B of M Scholarship Students may hold other monetary scholarships for the first year only.*

48 SCHOLARSHIPS OF \$1,500 ...

In the Spring of 1961, the top 16 of these 50 students will each be awarded a B of M Scholarship of \$1,500 for second-year university training.

In 1962 and 1963, provided at least good second-class grades have been maintained, these same students will each be awarded a B of M Scholarship of \$1,500 per annum ... leading to graduation in 1964.

In developing the plan, the Bank of Montreal is in no way seeking personnel for its own staff, but men and women who — through scientific research and pursuits in the public service — will contribute in some notable way to the common good of the nation in the years ahead.

SEE YOUR BANK OF MONTREAL BRANCH AND MAKE YOUR APPLICATION WITHOUT DELAY ... DO NOT WAIT UNTIL YOU HAVE RECEIVED YOUR EXAMINATION RESULTS. ACT NOW.

24 FELLOWSHIPS OF \$3,000 ...

In the Spring of 1964, the top eight of these 16 students will each be awarded a B of M Scholarship of \$3,000 for one year's study anywhere in Canada or abroad.

In 1965 and 1966, provided a satisfactory standard of work has been maintained, these same students will each be awarded a B of M Scholarship of \$3,000 per annum for further study leading to their Doctorate.

2 BANK OF MONTREAL CANADA CENTENNIAL AWARDS OF \$5,000 ...

In 1967, to culminate this seven-year plan, the two top students — one in Arts and one in Science — will be chosen, from all 50 participants in the plan, to receive the Bank of Montreal Canada Centennial Awards of \$5,000 each for a further year of study anywhere in Canada or abroad.

Thus, to each of these two winners — if they have been participants throughout the plan — the Bank will have provided financial assistance amounting to \$19,250.

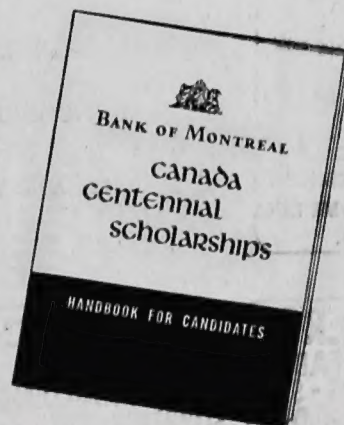

HOW SCHOLARSHIP STUDENTS ARE CHOSEN ...

Scholarship students are chosen on merit alone — academic standing and character — by independent Selection Committees of faculty members of Canadian universities. *The Bank will have no part whatever in the decisions taken by the Committees.*

HOW STUDENTS IN ONTARIO (and Baffin Island) SHOULD APPLY ...

Interested Ontario students, graduating from Grade XIII this June with Secondary School Graduation Diploma, should visit their neighbourhood B of M branch and ask for the "Handbook for Candidates" for the Bank of Montreal Canada Centennial Scholarships. This booklet explains the Scholarship Plan in detail and outlines the simple steps required to register your application for consideration by the Selection Committee of Ontario for one of the 13 scholarships available in 1960 to students in this province.

If there is no branch of the Bank in your district, then — and only then — you should address your request to: The Assistant General Manager, Bank of Montreal, 50 King Street West, TORONTO, Ont.

Yours for the asking ...

Lands & Forests Report—

TREES FOR TOMORROW

The Dept. of Lands and Forests spring planting program is now well underway throughout the Lindsay District. In all, nearly three quarters of a million trees will be planted before the middle of May.

The majority of these trees will be red and white pine.

Planting projects are located in Northumberland, Durham and Victoria county forests, the Ganaraska conservation authority forest, Snowdon, Burleigh, Stanhope and Bruton townships. About 150 men will be employed at the peak of the operation.

Since best results are obtained by planting as soon as possible after break-up, and because the late spring has already delayed planting, maximum efforts are now being made to get the trees into the ground as soon as possible.

* * *

HUNTING LICENCE REQUIREMENTS

All issuers of hunting licences have been advised by the Department of Lands and Forests that effective September 1, 1960, no Ontario resident hunting licences can be sold without presentation of one of the following:

(a) a previous hunting licence.

(b) a certification of competence — obtained through attendance at hunter safety training lectures.

(c) an application for a hunting licence (form H.T.8) supported by an affidavit declaring that the applicant has had previous hunting experience, and is familiar with accepted standards of safe hunting.

All issuers and hunters are asked to co-operate with the department in this program which has been set up to improve hunting standards and to reduce accidents in the field.

AT REST

Alfred Little

Mr. Alfred Little died on April 1, 1960 in his 87th year. He was born August 8, 1873 at Port Hope, Ont., the son of the late Mr. and Mrs. John Little.

He leaves to mourn a wife Mary Jane Ellen Gausin and six children, Mrs. Calvin Kent (Irene) of Minden; Mr. Ken Little, Lindsay; Mrs. Stanley Coulter (Elva) of Toronto; Mrs. Roy McPhail (Eva) of Maple Lake and Mrs. Ross Little (Norma) of Blairhampton. Brothers include Alex of Blairhampton and sisters, Mrs. Walter Harrison (Mary) of Carnarvon and Mrs. Lillie Cruickshanks of Saskatchewan.

Seven grandchildren and four great grandchildren survive.

He rested at the John Welch & Son funeral home at Minden until the service which was held at the Carnarvon United Church on April 4 at 2 p.m.

The service was conducted by the Rev. David Staples of Minden. The pallbearers were Messrs. Holly, Roy, Ronald and Donald Little and Calvin Kent and Roy McPhail.

Card of Thanks

We wish to extend our heartfelt thanks and appreciation for acts of kindness, messages of sympathy and beautiful floral offerings received from neighbors, relatives and many friends, also thanking Dr. Lumb and Dr. Chenoweth and the nurses of Bancroft Red Cross and Peterboro Civic hospitals, especially thanking Capt. Thomas Bailey, C.A., for his consoling words and help in our sad bereavement of a loving wife and mother.
—Russell Schickler and family.

I wish to take this opportunity to thank the Haliburton Red Cross and the people of the surrounding area who donated clothing, food and other items after our recent fire.
—Charlie Titus.

NIGHT CALLS 367

HALIBURTON ONT.

HALIBURTON NEWS LETTER . . .

Mr. and Mrs. Ed Goodwin of Lindsay spent the week end at their cottage on Drag Lake.

Mr. Ross Curry was a business visitor in Toronto last week.

Mr. and Mrs. Doug Waterworth of Toronto were visitors at the home of Mr. and Mrs. Sidney Johnston over the week end.

Mr. and Mrs. Harry I. Clark have sold their home and property on the Minden Haliburton highway and will shortly take up residence in Jacksonville, Fla.

Mr. and Mrs. Archie Hillis of Peterboro were the guests of Mr. and Mrs. Clifford Inglis on Sunday.

Miss Dorothy Clarke was in Toronto last week attending the sessions of the Women's Auxiliary of the Anglican Church of Canada, which were held in St. James Cathedral.

We are sorry to report that Mrs. George Otto is at present not in the best of health and on the advice of her doctor, has been in Lind-

say Ross Memorial Hospital for a check-up.

Complaints are being heard locally regarding the high cost of property here. If one can believe what is heard on the street, some people are asking as high as \$35 per foot frontage. Driving through the village of Minden we see some fine homes under construction. Such activity is conspicuous by its absence in Haliburton and we are of the opinion that the exorbitant prices being asked for building lots is largely responsible for this situation.

The many friends of Jack Rae are sorry to learn that he is at present a patient in the Ross Memorial Hospital, Lindsay. While Jack has not been a resident of this town very long he has in that time proved himself a fine citizen helping in any good cause that would make for the betterment of this area. We hope that the condition which is troubling him at present will clear up and that he will again be able to be back in his business.

The Dysart recreation

committee and Dysart community centres board met on Monday evening of this week and we learn that the wheels are being set in motion to clean up the community park. Progress, in most cases, moves at a snails pace. Getting any action in this matter has taken a long time but at last we are beginning to see some progress toward this end.

Spring, although a little backward, must surely be here, as Edward Allen has just come in with some strawberry plants, of the wild variety, of course, in full bloom.

Whether it be the weather or some other cause, this would appear to be a time when more people are in poor health than usual. Earle Cowen was taken to Lindsay hospital on Saturday due to a stomach ailment.

Effective May 15 all dogs in Haliburton village must be tied up. The co-operation of those who have pets is earnestly requested in this connection. Those who defy the ruling will have to pay the penalty.

Today, John McMurray and Mary his wife travel to town together. For him the journey to the office is an every day routine. For Mary it's something special — an exciting early start to a day's shopping. For both a busy day lies ahead . . . one during which they'll make good use of the services their bank provides.

Their Personal Chequing Account at The Canadian Bank of Commerce will make settling bills easy and economical for Mary. And when John drops in to make a deposit in their Savings Account, he'll be greeted with the friendliness and courtesy that makes a visit to the Bank of Commerce a pleasure.

THE CANADIAN BANK OF COMMERCE

News Notes From Minden

Mrs. Fred Cooper, Ralph, Gerald and Colleen spent the week end with her sister and family, Mr. and Mrs. George Burr.

The chairman of the Minden branch of the cancer society reports that the district has reached \$500 but hopes that when the full response is in the objective of \$700 will be reached.

Mrs. Maud Campbell, Mr. and Mrs. Russell Lewis and Mr. L. Gainer spent Friday in Lindsay.

Mrs. N. H. Hincks of Bracebridge is spending a while with her daughter and family, Mr. and Mrs. Wilf Lahay.

Mr. and Mrs. Ed. Harding spent a few days last week in Lancaster, Pa., with school friends of Ed's, Mr. and Mrs. Jim McGrotty and Mr. and Mrs. Jim Nealy.

Miss Dianne Sutherland of Toronto spent the week end in the village.

Mr. Murray Trumbull of Toronto spent the week end with his mother, Mrs. Helen Trumbull.

The W.I. will be held on May 18 at the home of Mrs. Lou Pritchard in Haliburton and the district annual at Cameron on May 17, so get your names in and be ready to attend this interesting gathering.

Mrs. Helen Trumbull spent a day in Coboconk last week with the Arnold Richardsons.

Congratulations to Mrs. Wm. Moore on the arrival of her first granddaughter and a daughter, Laura Gaye, for Mr. and Mrs. Brian Clark (nee Muriel Moore) at Cold Lake, Alta.

Mr. and Mrs. Bud Campbell and family spent the week end with Mrs. Maud Campbell and Teddy is spending a while with his grandmother.

Mr. and Mrs. Harold Sears of Dorset spent Sunday with the George Sears.

We are sorry to report that Miss Irene Ranson had a bout of the flu while in St. Catharines and as a result has been hospitalized there and will be in hospital for some time yet. Miss Sarah Ranson is still staying with Mr. and Mrs. Bill Adams.

The April meeting of St. Paul's W.A. was held at the home of Mrs. Walter Welch and Mrs. Gracie read the final chapter of the study book. Delegates to the 74th annual W.A. in Toronto were Mrs. Gracie, Mrs. G. Lytle

and Mrs. H. Easton.

Mrs. H. Easton is spending a while with her daughter and family, Mrs. Frank Edney of Toronto.

Congratulations to the newly-weds, Mr. and Mrs. Bill Porter (nee Darlene Stamp) who were married on Saturday.

Patients at the local hospital are all from Wilberforce: Mr. John Deterling, Mr. Murray Agnew and Master Rodney Bowen. Congratulations to Mrs. Murray Agnew on the arrival of her son.

There was a fire at Fred Cooper's home early Sunday morning and extensive damage done to the interior.

Congratulations to Mr. and Mrs. Archie Stouffer on the arrival of their twin grandchildren.

The hospital report for April showed 18 admissions, 46 x-rays, 33 outpatients, five births, 13 minor operations and a total of 166 hospital days.

A successful card party was held at the Fred Wrights last Friday by the agricultural society with winners for euchre, Mrs. Harold Coulter and Earl Hewitt and low Jim Graham and Mrs. B. J. Walker. The lone hand prize was taken by Mrs. Pogue. For cribbage high was Garnet Snell and low Fred Wright. On the draw for the table and chairs winner was Jim Butler of Lorneville. This was followed by the very tasty lunch served by the ladies.

The Thursday league ladies bowlers held their banquet at the Anglican hall on Wednesday, May 4 and all enjoyed the delicious turkey supper served by the Girls' Guild. Irene Duncan found that she had the lucky cup and received a gift.

Awards were made to Jean Joyce for high average 171, to Linda McKnight for high single 362 and to Gwen Cameron for high triple 634.

The high team for the year was Gwen Cameron's and they went on to successfully win the Medley trophy from the Tuesday league. Members of her team were Vera Kernohan, Elaine Anderson, Laureen McCracken, Mary Gibbens, and they were given gifts from the league.

Linda McKnight's team won the Joyce trophy for the second highest points.

On the election of officers

they are as follows: president, Elaine Endicott; vice president Jean Jackson; treasurer, Mrs. Reg. Booth; secretary, Vera Kernohan.

It was suggested the Anglican ladies sponsor this Thursday league and therefore Jean Jackson was selected as vice president.

Team captains are Muriel Welch, Jane Graham, Diana Stevens, Marjorie Coulter, Irene Duncan and Jean Hewitt.

Bertha Hughes made a vote of thanks to Vera Taylor for her splendid work as president.

After this tables were set up and an evening spent playing euchre and winners were, lone hand Vera Kernohan, high score Diana Stevens and low Elaine Endicott.

The general meeting of Minden United Church W.A. was held in the church hall May 5 with 31 members present.

The meeting opened with the theme hymn and Mary Stewart collected led by the president, Mrs. L. Coburn.

The minutes were read and approved. Reports of standing committees were given.

Mrs. Nelson Ward gave a very interesting talk on the work of the W.M.S.

The roll call and offering was taken. The meeting was then handed over to Mrs. Lazier, worship convenor, for group two.

Wedding Of Local Interest

TWIN SISTERS BRIDE'S ATTENDANTS

The setting was St. Patrick's Roman Catholic Church, Kimmount, for the marriage of Joan Eileen, daughter of Mr. and Mrs. Joseph Dollo, Minden, to James Walter, son of Mr. and Mrs. H. Hatkowski of Dwight. Rev. Father Kay officiated at the 11 o'clock ceremony.

Given in marriage by her father, the bride wore a white gown of lace and nylon net over taffeta lace top with scalloped neckline and long sleeves, coming to a point at the wrists. The three tiered skirt was worn over a hoop skirt. A crown of white orange blossoms with pearl trim held her shoulder length veil. She carried a cascade of red roses.

The four bridesmaids were dressed in similar gowns of nylon lace, two of blue and two of yellow and carried cascades of carnations in contrasting colors of yellow or blue and with white picture hats and accessories.

An item of note was that two of the bride's attendants were her twin sisters, Angela and Louise and the others were Miss Norma Maidens and Miss Delores Pepetone.

The groomsman was Jack Hatkowski, brother of the groom and the ushers, Neil Burk, Glen Henderson and Jack Chilorok all dressed in dark suits with white buttonieres.

A solo was sung by Miss Evelyn De Ferrari during the signing of the register.

The bride's mother wore a green lace gown with bow ending in streamers in the back and beige hat and accessories and a corsage of pink carnations.

The groom's mother, Mrs.

H. Hatkowski, Dwight, wore a sheer nylon gown over taffeta with green half hat and beige accessories and a corsage of pink carnations.

Special guests at this wedding were Mr. and Mrs. L. Dollo of Toronto, grandparents of the bride. Other guests were from Dwight, Thornton, Toronto, St. Catharines, Thorold and the Minden area.

At the reception at Hart Lodge, the wedding party greeted the guests. With the music of Ken Oakley of Orrillia, Jim and Joan and their attendants had the first dance. A buffet lunch was served all night of cabbage rolls, pizza pie, cold meat plates, salads and coffee. Each person received a piece of the wedding cake.

The wedding party sat down to the lunch at a table which had as its centre the beautiful wedding cake which the bride and groom cut at 10 p.m.

For her honeymoon the bride wore a beige suit, red hat and accessories and a corsage of red roses which was part of her wedding flowers.

Miss Monica Young and Miss Jacqueline VanCleaf caught the bouquet thrown by the bride.

The happy couple are taking a trip through Buffalo, Niagara Falls, Rochester, Boston and other eastern cities. They will live in Minden.

SCHOOL HEALTH REPORT

We are hearing a great deal these days about mental retardation, and well we should because mental retardation is everybody's problem and everybody's responsibility.

Three out of every 100 children born in Canada are mentally retarded. There are some 500,000 children and adults in Canada (about 3% of the population) who are under that category. They range from totally hopeless to those not too different from normal.

Mental retardation is a condition of impaired or incomplete mental development dating from birth or an early age. It is usually associated with a slowness to develop, a limited ability to learn, a reduction of social aptitudes and limited vocational capacity.

Mental retardation recognizes no boundaries of race, color, creed or financial circumstances. There will probably be at least 13,000 mentally retarded children born in Canada this year.

Like all children, retarded children are God's children. They are born to families high and low, rich and poor. Some will struggle on the edge of normal life after being hurt by the unkindness of others who have never bothered to think about this problem. Some will never leave their cots; but many others can be trained to lead useful and happier lives.

We had the privilege recently, of visiting the day school for retarded children

14 RECEIVE SAFE DRIVING AWARD

At the annual safe driving banquet of Brewers' Warehousing Ltd., held in the Empress Hotel, Peterboro, last Wednesday, 14 drivers received awards.

The awards were given to company drivers who have completed from one to 19 years without an accident.

William Cunningham of Cobourg received a 19 year award and Charles Saville of Lindsay a 12 year award.

The guest speaker at the annual banquet was Sgt. Bill Scott of the Peterboro police department, who is in charge of the school patrol in that city. Since the school patrol program was first inaugur-

ated at Peterboro. It was really thrilling to see how happy those children were together and how they were being taught not only the "three R's" but how to use their hands, and best of all, how to get along with others.

They all seem to love music and have a fine sense of rhythm and are given opportunity with their rhythm band and choir to express themselves.

We have many retarded children in Haliburton county. Some we know about—but many we do not. We want to help them and their parents.

If you have a retarded child or know of one in our county, won't you please tell us? Send a note to the public health nurse, box 75, Haliburton, or call 138J.

ated there has never been an 85% of all traffic accidents at a patrolled cross-ing. The driver is at fault.

Sgt. Scott reminded the assembled truck drivers that they were professional drivers and as such the public expected them to be better than average drivers.

The speaker revealed that 5% of all traffic accidents are the result of road conditions; 10% result from vehicle defects and that in

He urged all drivers to adopt the D.D.T.'s of driving—defensive driving tactics. He explained this point by saying, "You should drive as if everybody else is nuts." The idea is to prevent an accident even if the other driver is at fault.

In concluding he recommended the following slogan to all drivers, "strive to

drive to arrive alive." Len Lonsberry, Earl Bush and Chas. Brandon of Minden and Ritchie Harrison of Carnarvon were guests at this annual safe driving banquet.

GET THE "INSIDE STORY" ON THE TORO MOWER THAT BAGS ITS CLIPPINGS!

Only \$10.00 down
Complete with Bagging
Attachment, Leaf Mulcher

\$99.95

19-Inch hand-propelled model. Also 21-Inch hand and self-propelled models.

VACUUM-CLEANS YOUR LAWN! The New Toro Whirlwind cuts grass as no other rotary does—with a new "Wind Tunnel" action that freezes each blade of grass upright for a crisp, clean cut . . . then blows clippings into the bagging attachment.

And not only does this revolutionary mower bag your grass clippings, but also leaves, twigs, lawn litter—all are sucked up by the Whirlwind's super-vacuum and deposited in the bag for easy disposal.

The secret is inside the Whirlwind's unique housing—an exclusive Toro design. It has none of the indentations and corners that cause ordinary rotaries to form clumps—clippings have a clear track to be blown into the bag or dispersed uniformly over your lawn!

3-season worksaver! Use your new Toro Whirlwind for spring clean-up, summer mowing, fall leaf disposal! Come in for a free demonstration!

**Lands and Forests Report—
TROUT FISHING
ROUND-UP**

Conservation officers report that the opening week end trout fishing success was spotty. Chief complaint of the anglers was the rainy weather on both Saturday and Sunday. There was actually snow in the Haliburton area on Sunday. High water in the northern streams of the district also had its effect.

Lake trout catches in Haliburton and northern Peterborough counties were fair to good but speckled trout fishing was for the most part poor to fair. It was reported that a 19 pound lake trout was caught in Redstone Lake on the week end.

The streams south of Highway 7, especially those along the lakeshore provided some good fishing. A nine pound, 12 ounce, rainbow trout was caught by D. Ball of Baltimore in Shelter Valley Creek. Several five pound rainbows and a few brown trout were caught in this area but the speckled trout catch was again only fair.

One of the best areas for speckled trout in the district appeared to be Havelock, Campbellford, Brighton area. Several good to excellent catches were reported for the streams in this vicinity.

Another bright spot was Silver Lake in Galway Township (five miles north of Bobcaygeon) where up until Sunday noon, it is authentically reported that 186 speckled trout, ranging from nine to 16 inches in length were caught.

Two lakes in Cavendish Township, Little Clear Lake and Horseshoe Lake, were fished heavily and with good results. Speckleds caught in Little Clear ranged in length from 10 to 16 inches with one large one weighing in at five pounds, and those from Horseshoe were of nine to 14 inches variety. In both of these lakes it was reported that early morning fishing was the most productive.

**HYDRO ANNOUNCES
EXECUTIVE
APPOINTMENT**

A. V. Crate, director of the trade and industry branch of the Department of Planning and Development, has been appointed to an executive post in Ontario Hydro's sales promotion organization.

Mr. Crate's appointment as executive assistant to Roy Harmer, director of sales promotion, Ontario Hydro, terminates a 14-year association with the provincial government in industrial development work, the last five as director of the trade and industry branch.

Recognized as one of the architects of the province's industrial development program, Mr. Crate was also responsible for immigration at the provincial level.

Currently chairman of the provincial governments trade industry council (a national body representing all provincial governments), Mr. Crate is a member of the advisory committee of the Ontario research foundation, the American industrial development council, and the dollar-sterling trade council.

Born in Toronto, he attended the University of Toronto.

STUDENT CLEAN-UP CAMPAIGN

The Clean-Up Day announced last week was post-poned until Saturday, May 14th on account of the rain. Your support for this endeavour of our high school students will be greatly appreciated. Remember proceeds go to Sammy Esquobar, I.S.C.F. missionary, working with students in South America. Service calls may be made to Mrs. Armitage in Haliburton, 43M, and Mrs. Gracie in Minden 203. Lawns will be mowed, raked and rolled, windows washed and cars washed, plus any other odd jobs.

WEST GUILFORD

One of the community's senior citizens, Mr. Thomas Scott, is recovering from a recent operation in the Haliburton hospital.

Spending Mother's Day with Mr. and Mrs. Jack Henderson were Mr. and Mrs. Richard Henderson and Mr. and Mrs. Garth Henderson and family all of Oshawa.

Mrs. Cecil Stamp is con-

valescing at her home following surgery at St. Michael's Hospital, Toronto.

The May meeting of the ladies' community guild convened at the home of its president, Mrs. Blanche Barjarow on Thursday afternoon, May 5 with the honorary president, Mrs. Francis Sisson attending. Ten members were present including a new member, Mrs. Margaret Sisson. Following the devotional period which concluded with a Bible reading from Psalm 39 and 40, discussions were held concerning the summer bazaar.

Sympathy was expressed for Mrs. Germaine Plourde whose mother passed away at Owen Sound after a lengthy illness that week. A report was given to the effect that the West Guilford school attendance records showed a marked increase since the children began taking the vitamin pills which the guild paid for last autumn. It was concluded that the project was a worthwhile success. The contest conducted by Mrs. Margaret Horsley was won by Peggie Henderson. Those celebrating birthdays in May were Mrs. Cora Sawyer, Mrs. Peggie Henderson and Mrs. Mabel Hellem. In their honor the president ordered a special birthday cake from a bakery. Following the presentation of the gifts the meeting adjourned with thanks to the hostess for her gracious hospitality. The June meeting will be held at the home of Mrs. Cora Sawyer on June 9. Week end guests at the

home of Mr. and Mrs. Roy Hellem were Mr. Hellem's brother, Mr. William Hellem and Mr. Harold Furness of St. Catharines.

Mr. Allan Horsley is a patient in the Haliburton hospital following a recent heart attack.

Mr. Charles Titus, who was recently a patient in the Haliburton hospital, is convalescing at his home.

Mrs. Lorna Stackhouse is recovering from an attack of pneumonia.

Guests at the home of Mr. and Mrs. Stan Cooper were Mr. and Mrs. Ted West of Toronto.

The West Guilford ball club are beginning their season with a banquet for the players and their wives to be held at the Matabanick Inn on Saturday evening.

OBITUARY

Margaret M. Savoy

Margaret M. Savoy, beloved widow of Charles Savoy, passed away Saturday, April 23, 1960 at Brantford General Hospital in her 59th year.

Born in Haliburton the daughter of Mr. and Mrs. Wm. Clarke she has been a resident of Brantford for 30 years and a member of St. Paul's Anglican church where she was active in the Evening Guild.

Her husband predeceased her in April 1959.

Surviving are two step sons, Lawrence and Frank of Brantford; five sisters, Mrs. Frank Proctor (Madeline) of Brantford; Mrs. Jas. Lees (Beatrice); Mrs. John Potts (Jane); Mrs. James Iles (Dora) all of Haliburton; Miss Helena Clarke of Eagle Lake; three brothers, William W., Lytle F. of Eagle Lake and Phillip B. of Renfrew. There are also several nieces and nephews.

Rev. E. K. Bissell conducted the service at St. Paul's Anglican Church. Interment was at Mount Hope Cemetery, Brantford.

HALIBURTON

Miss Carolyn Brennan and Philip Trenton of Toronto spent the week end with Mr. and Mrs. George Brennan.

Department of Public Works,
Ottawa

TENDERS

SEALED TENDERS addressed to Secretary, Department of Public Works, Ottawa and endorsed "Tender for the Supply of Coal, Coke, Fuel Oil and Propane Gas for the Federal Buildings Throughout the Province of Ontario" will be received until 3.00 p.m. (E.D.S.T.), Tuesday, June 7, 1960.

Specifications and forms of tender can be obtained at the office of the Chief of Purchasing and Stores, Room 503, Garland Building, Ottawa, Ont.; District Manager, 225 Jarvis St., Toronto, Ont.; District Manager, Dominion Public Building, London, Ont.; District Manager, Post Office Building, Fort William, Ont.

Tenders must be made on the printed forms supplied by the Department and in accordance with the conditions set forth therein.

The successful contractor may be requested to provide security, before the award of the contract, in an amount and form acceptable to the Department.

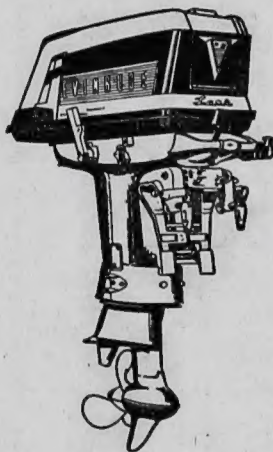

The lowest or any tender not necessarily accepted.

ROBERT FORTIER,
Chief of Administrative
Services and Secretary

SECOND COMPANION THRILL-PACKED FEATURE

JEFF CHANDLER — JACK PALANCE

TEN SECONDS TO HELL

Dear Friends:

Once again I wish to take this opportunity of appealing to you on behalf of an organization that I am sure needs no introduction to anyone—I refer to the Salvation Army.

They have at present nearly 4,000 trained officers working in Canada and they not only proclaim the Christian message but are ever ready to help all who find themselves down and out. In nurseries, schools and homes (which can be truly called homes) children are cared for in a variety of ways. Aged folk are not forgotten, many being accommodated at Sunset Lodges and Eventide homes. Thus it can be seen that the Salvation Army is fulfilling the slogan "With Heart To God And Hand To Man."

The County of Haliburton has never failed to meet its objective in Red Shield canvasses and as Campaign Chairman I appeal to you to see to it that we will again go over the top.

C. W. Hodgson M. P.

ANNOUNCING
the opening of Betty's Bakery, Friday May 13.

Card of Thanks

I wish to take this opportunity to thank my friends and neighbors for their cards and gifts while I was a patient at the Ross Memorial Hospital at Lindsay. Thanks also to the doctors and nurses and a special thank you to Ross Nicol of Haliburton for his gifts.
—O. F. Schrader.

(Continued from Page One) increasing benefits to a reducing number of participants, offers the most promising students a series of scholarships and fellowships in the pure sciences and in the humanities or the social sciences. Professional courses such as law, medicine and engineering are not included.

Scholarship students who are successful in meeting the requisite standards in the second, third and fourth university years will receive awards of \$1,500 per annum, while those accepted for graduate study in 1964, 1965 and 1966 will receive awards of \$3,000 per annum for study anywhere in Canada or abroad.

Then in 1967, Canada's centennial year, when the competition is open to all who have participated in the plan at any stage, the two final B of M Canada centennial awards will be made—one in arts and one in science. These two awards will be in the amount of \$5,000 each, to be used for further study anywhere in the world.

To each of two final winners, if they have participated throughout the plan, the bank will have provided a total of \$19,250 at the end of the bank-sponsored study.

13 Ontario Awards

The allocation of scholarships by provinces was worked out as far as possible on the basis of population, with a minimum of two for each province. For Ontario students passing grade 13 exams with secondary school graduation diplomas this June, there are 13 B of M scholarships of \$750 each. As in other provinces, these awards will be divided more or less equally between arts and science students.

So far as is known, the scholarship plan is the first educational scheme of its kind in the world. It will take the most successful students from high school graduation to university graduation and on to post graduate study toward their doctoral degree.

In developing the plan, Mr. Hart said that the bank hoped it would help to produce scholars who will bring "a contribution of outstanding value to the nation through scientific research and pursuits in the public service of Canada, thus providing a tangible and worthwhile observance of the national centennial to the future national advantage. And it will be an important part of our own 150th anniversary celebration."
